CAREER EXPO

FOR 8TH GRADERS IN SOUTH CAROLINA

JANUARY 15-16, 2025

MYRTLE BEACH CONVENTION CENTER

Pathways2Possibilities (P2PSC) is an interactive, hands-on career expo designed to help 8th graders link their passions to a paycheck. Professionals from 19 career pathways, aligned with the national and state departments of education, engage the students with hands-on activities in their various fields. They also share what life is like in their jobs and the training and education that is required.

We host 8th graders from: Darlington, Dillon, Florence, Georgetown, Horry, Lee, Marion, Marlboro, and Williamsburg over this two-day event.

All 8th graders from public and private schools are invited as are home schooled students.
